All in one with HD full color display custom built the way you want it which can educate and inform your city. Enhance your business with Monument LED signs that attract thousands of potential customers. An impressive digital monument sign like this commands respect and will change the face of your business for the better. It is a smart investment that will pay for itself many times over.

Prepare The Site

Excavate the hole's length,width and depth using the provided specifications.

Pour The Concrete

Pour the concrete and install the anchors to the wood cross members and conduit.

Install Pedestal

Install the pedestal in correct orientation and adjust leveling nuts accordingly.

Install Cabinet

Align your sign with the pedestal and use the provided bolts to fasten them together.
